BLEWETT COTTON

High School Principal

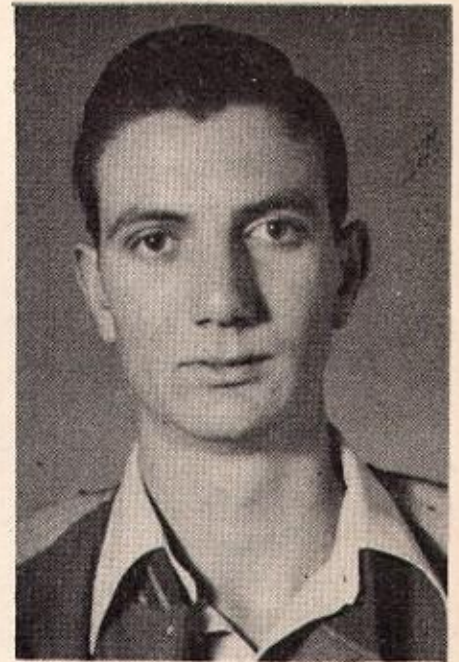

To the one who has helped us make a bigger and better annual this year, we dedicate the "1948 Lion." His pleasant personality and leadership have been an inspiration to the faculty and student body this school year, making him "our friend" and worthy of our recognition.

ROXTON HIGH SCHOOL BUILDING

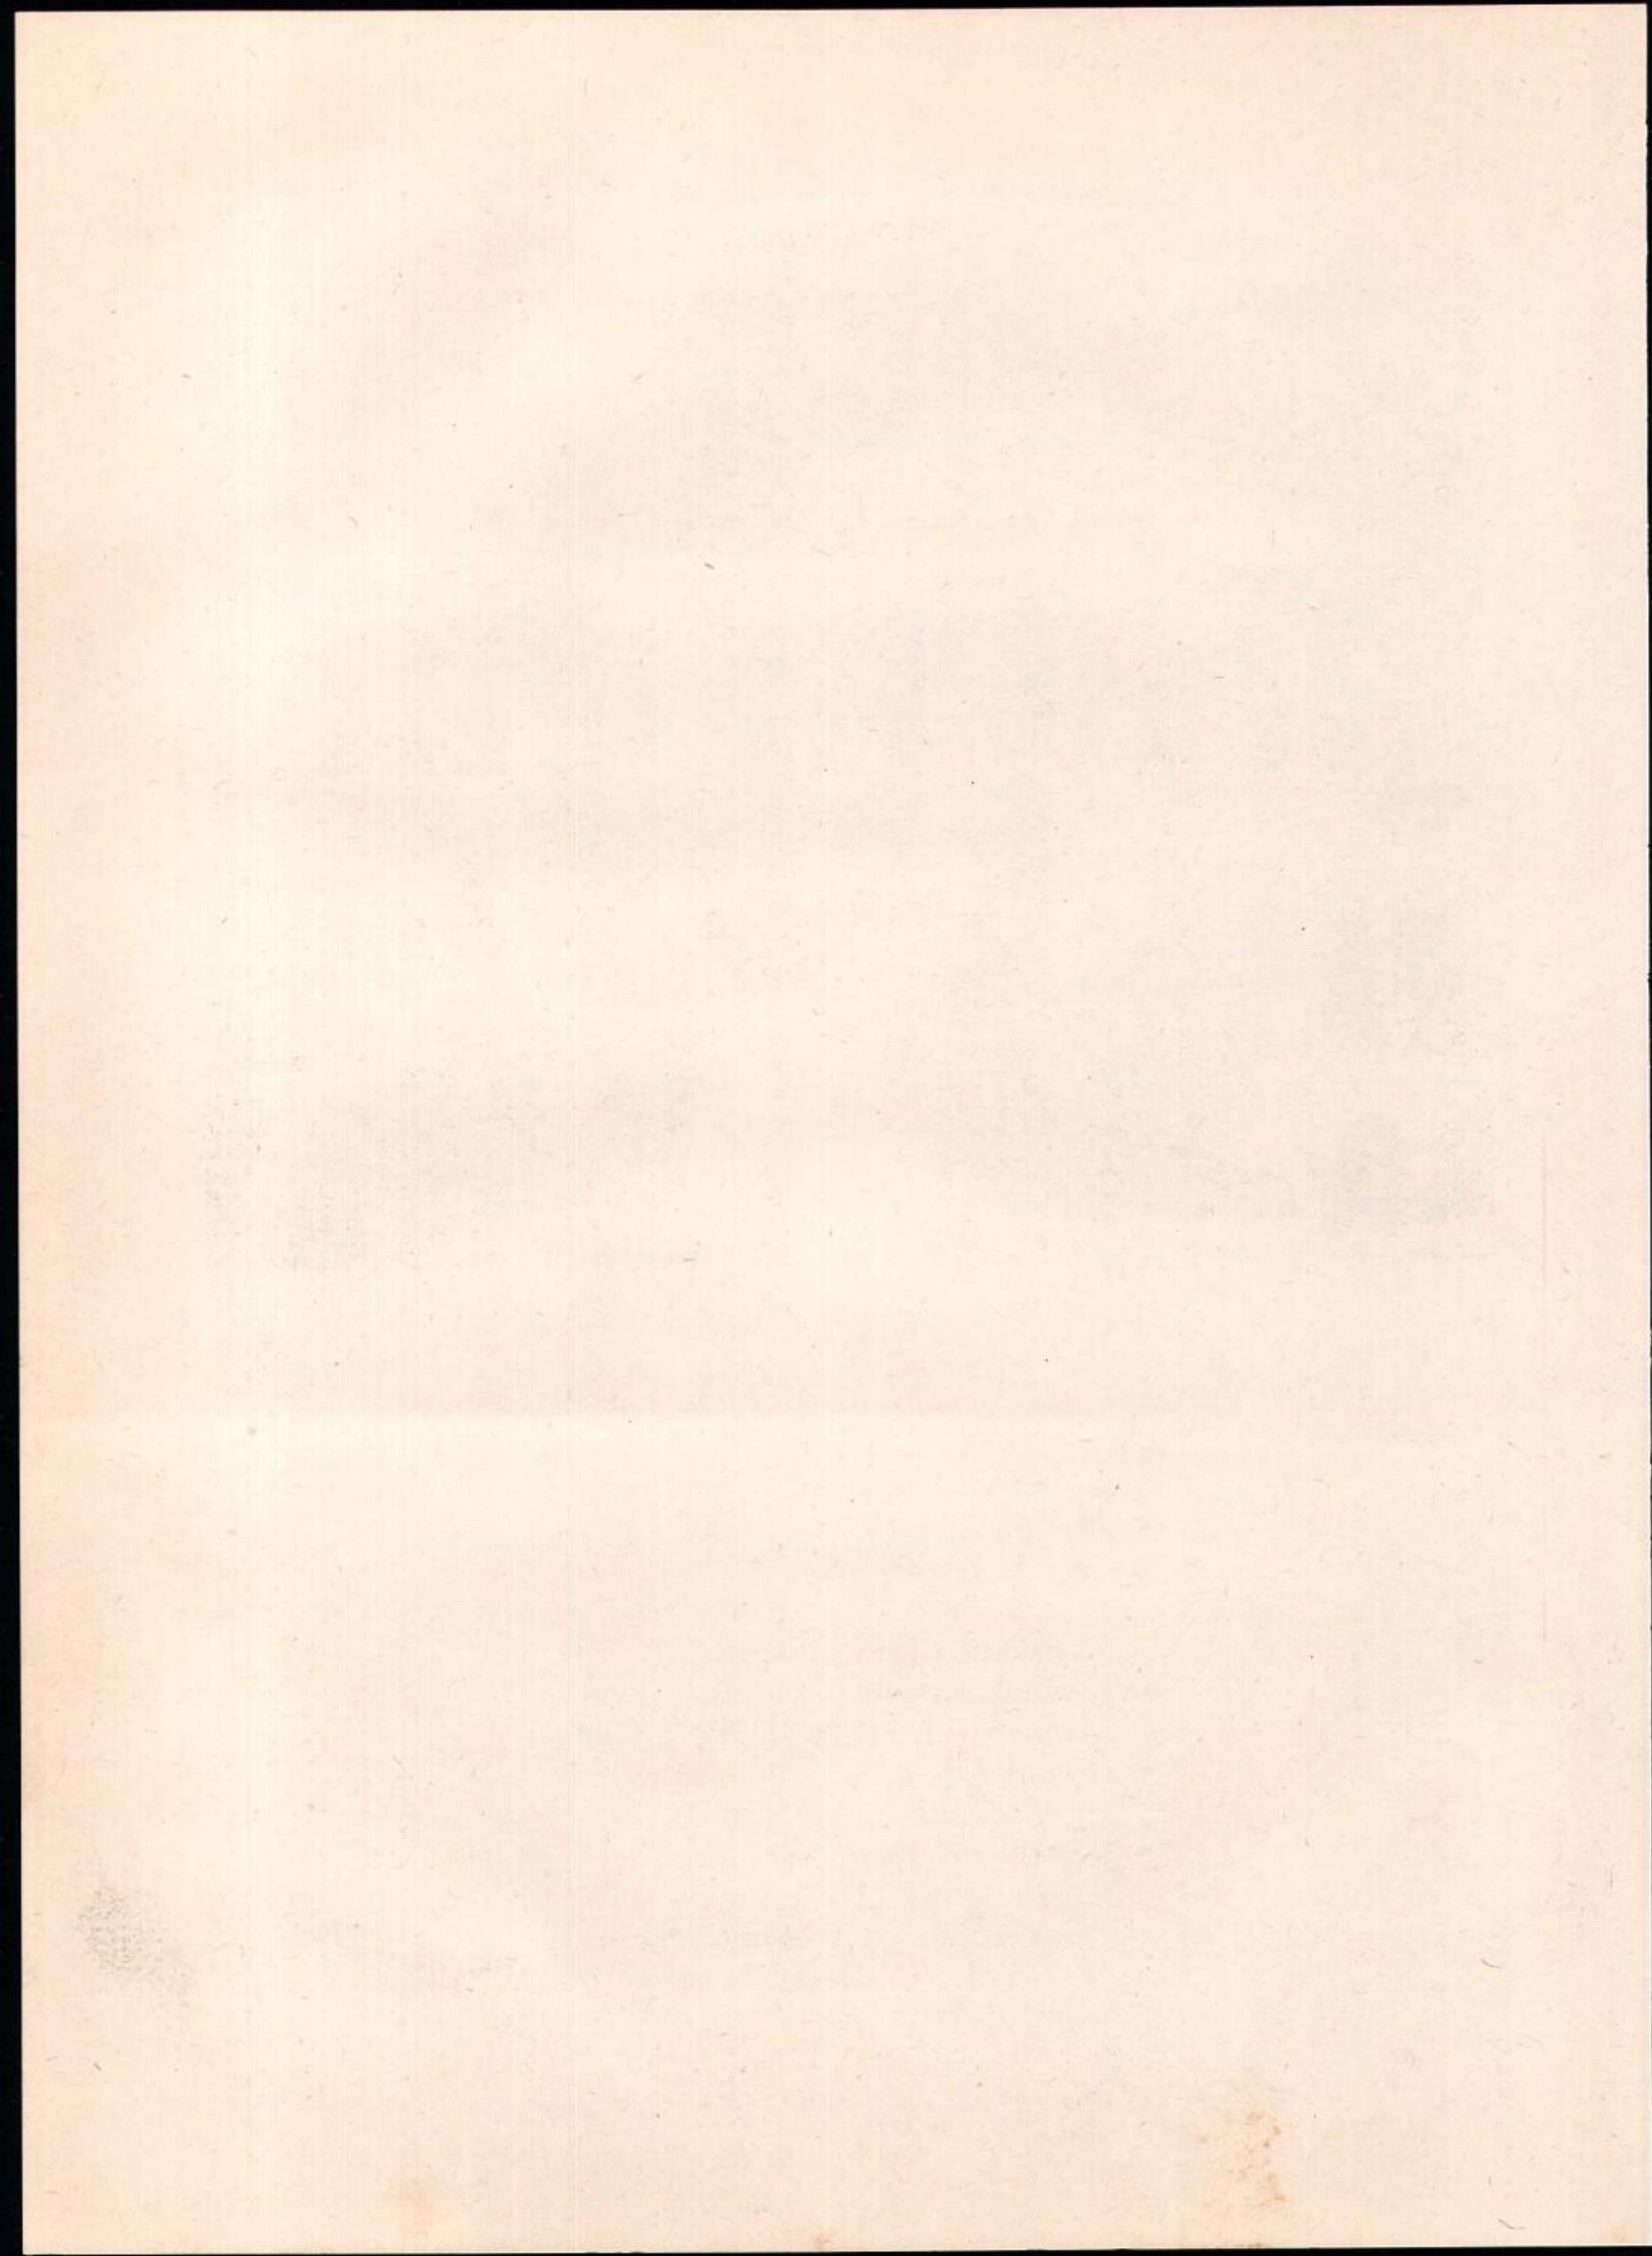

SCHOOL SONG

Sing this song to Roxton High School,
Loyal, brave and true,
And for this we are to honor
Colors white and blue.

Alma Mater, Alma Mater
Honor through and through
Hail to thee, our Roxton High School,
We are all for you.

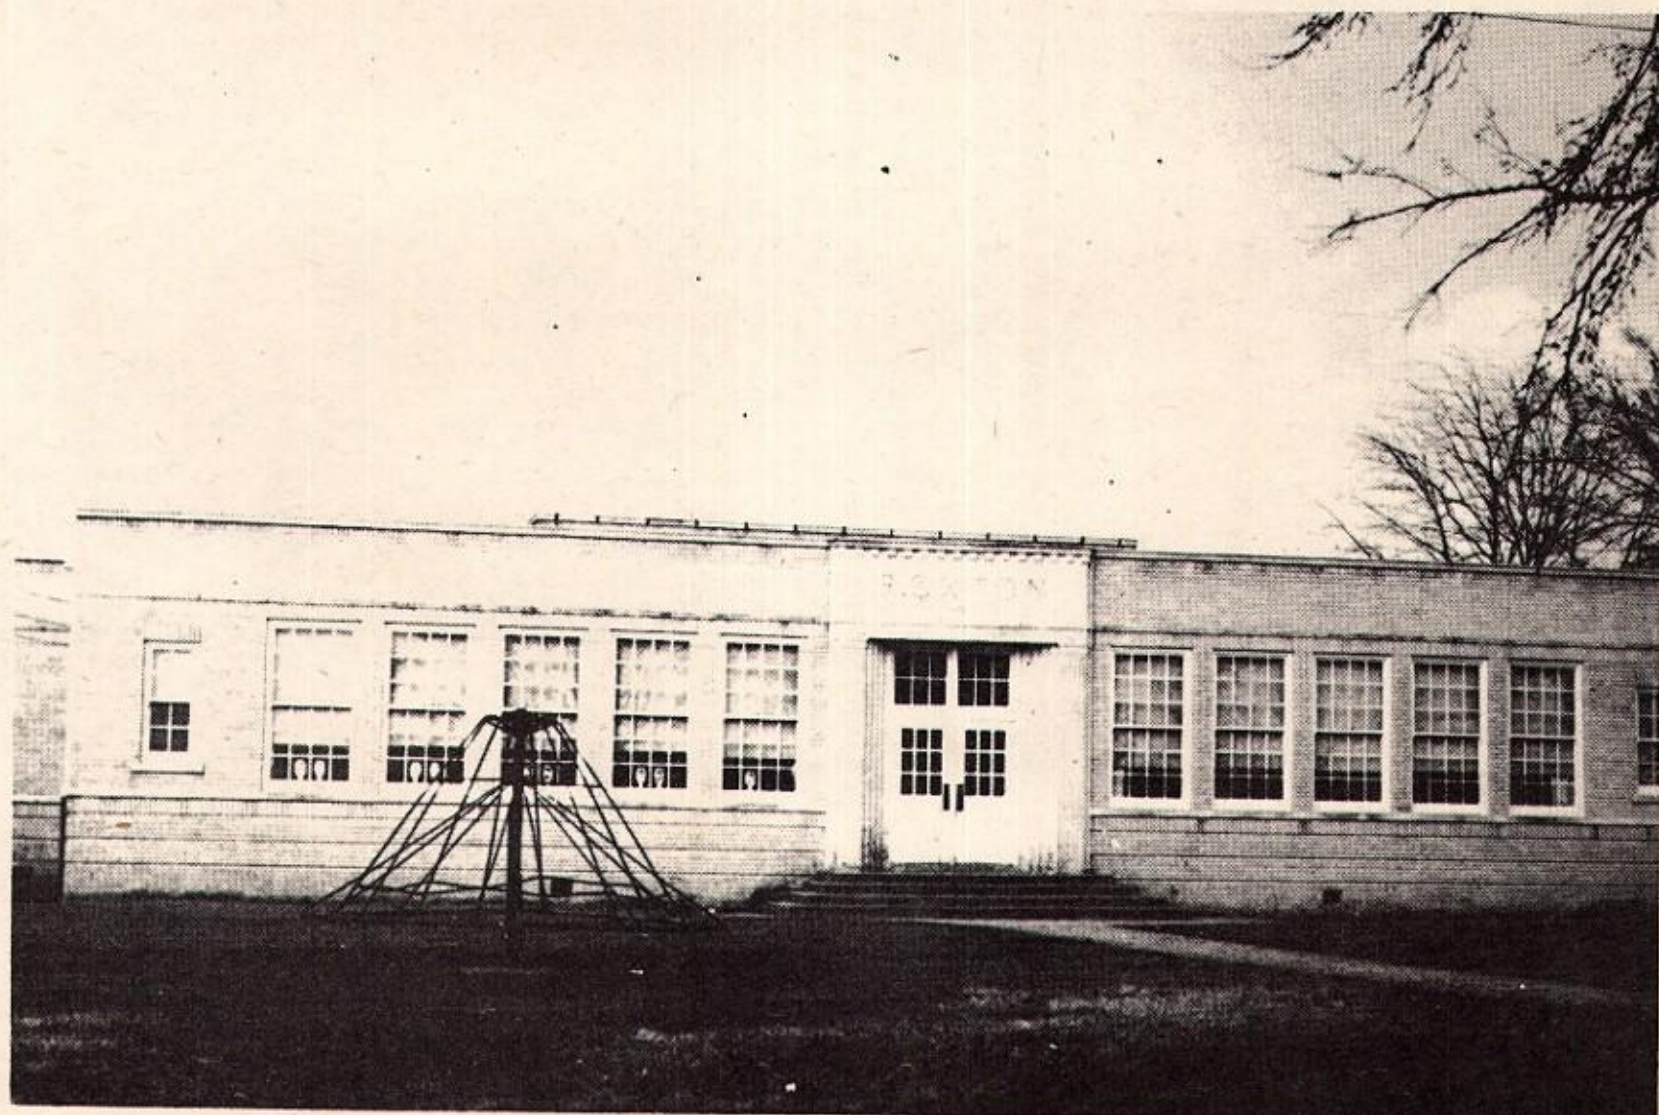

We can always have the honor
In each victory,
Make our school a shining beacon
Hail, Oh, hail, to thee.

Superintendent's Message

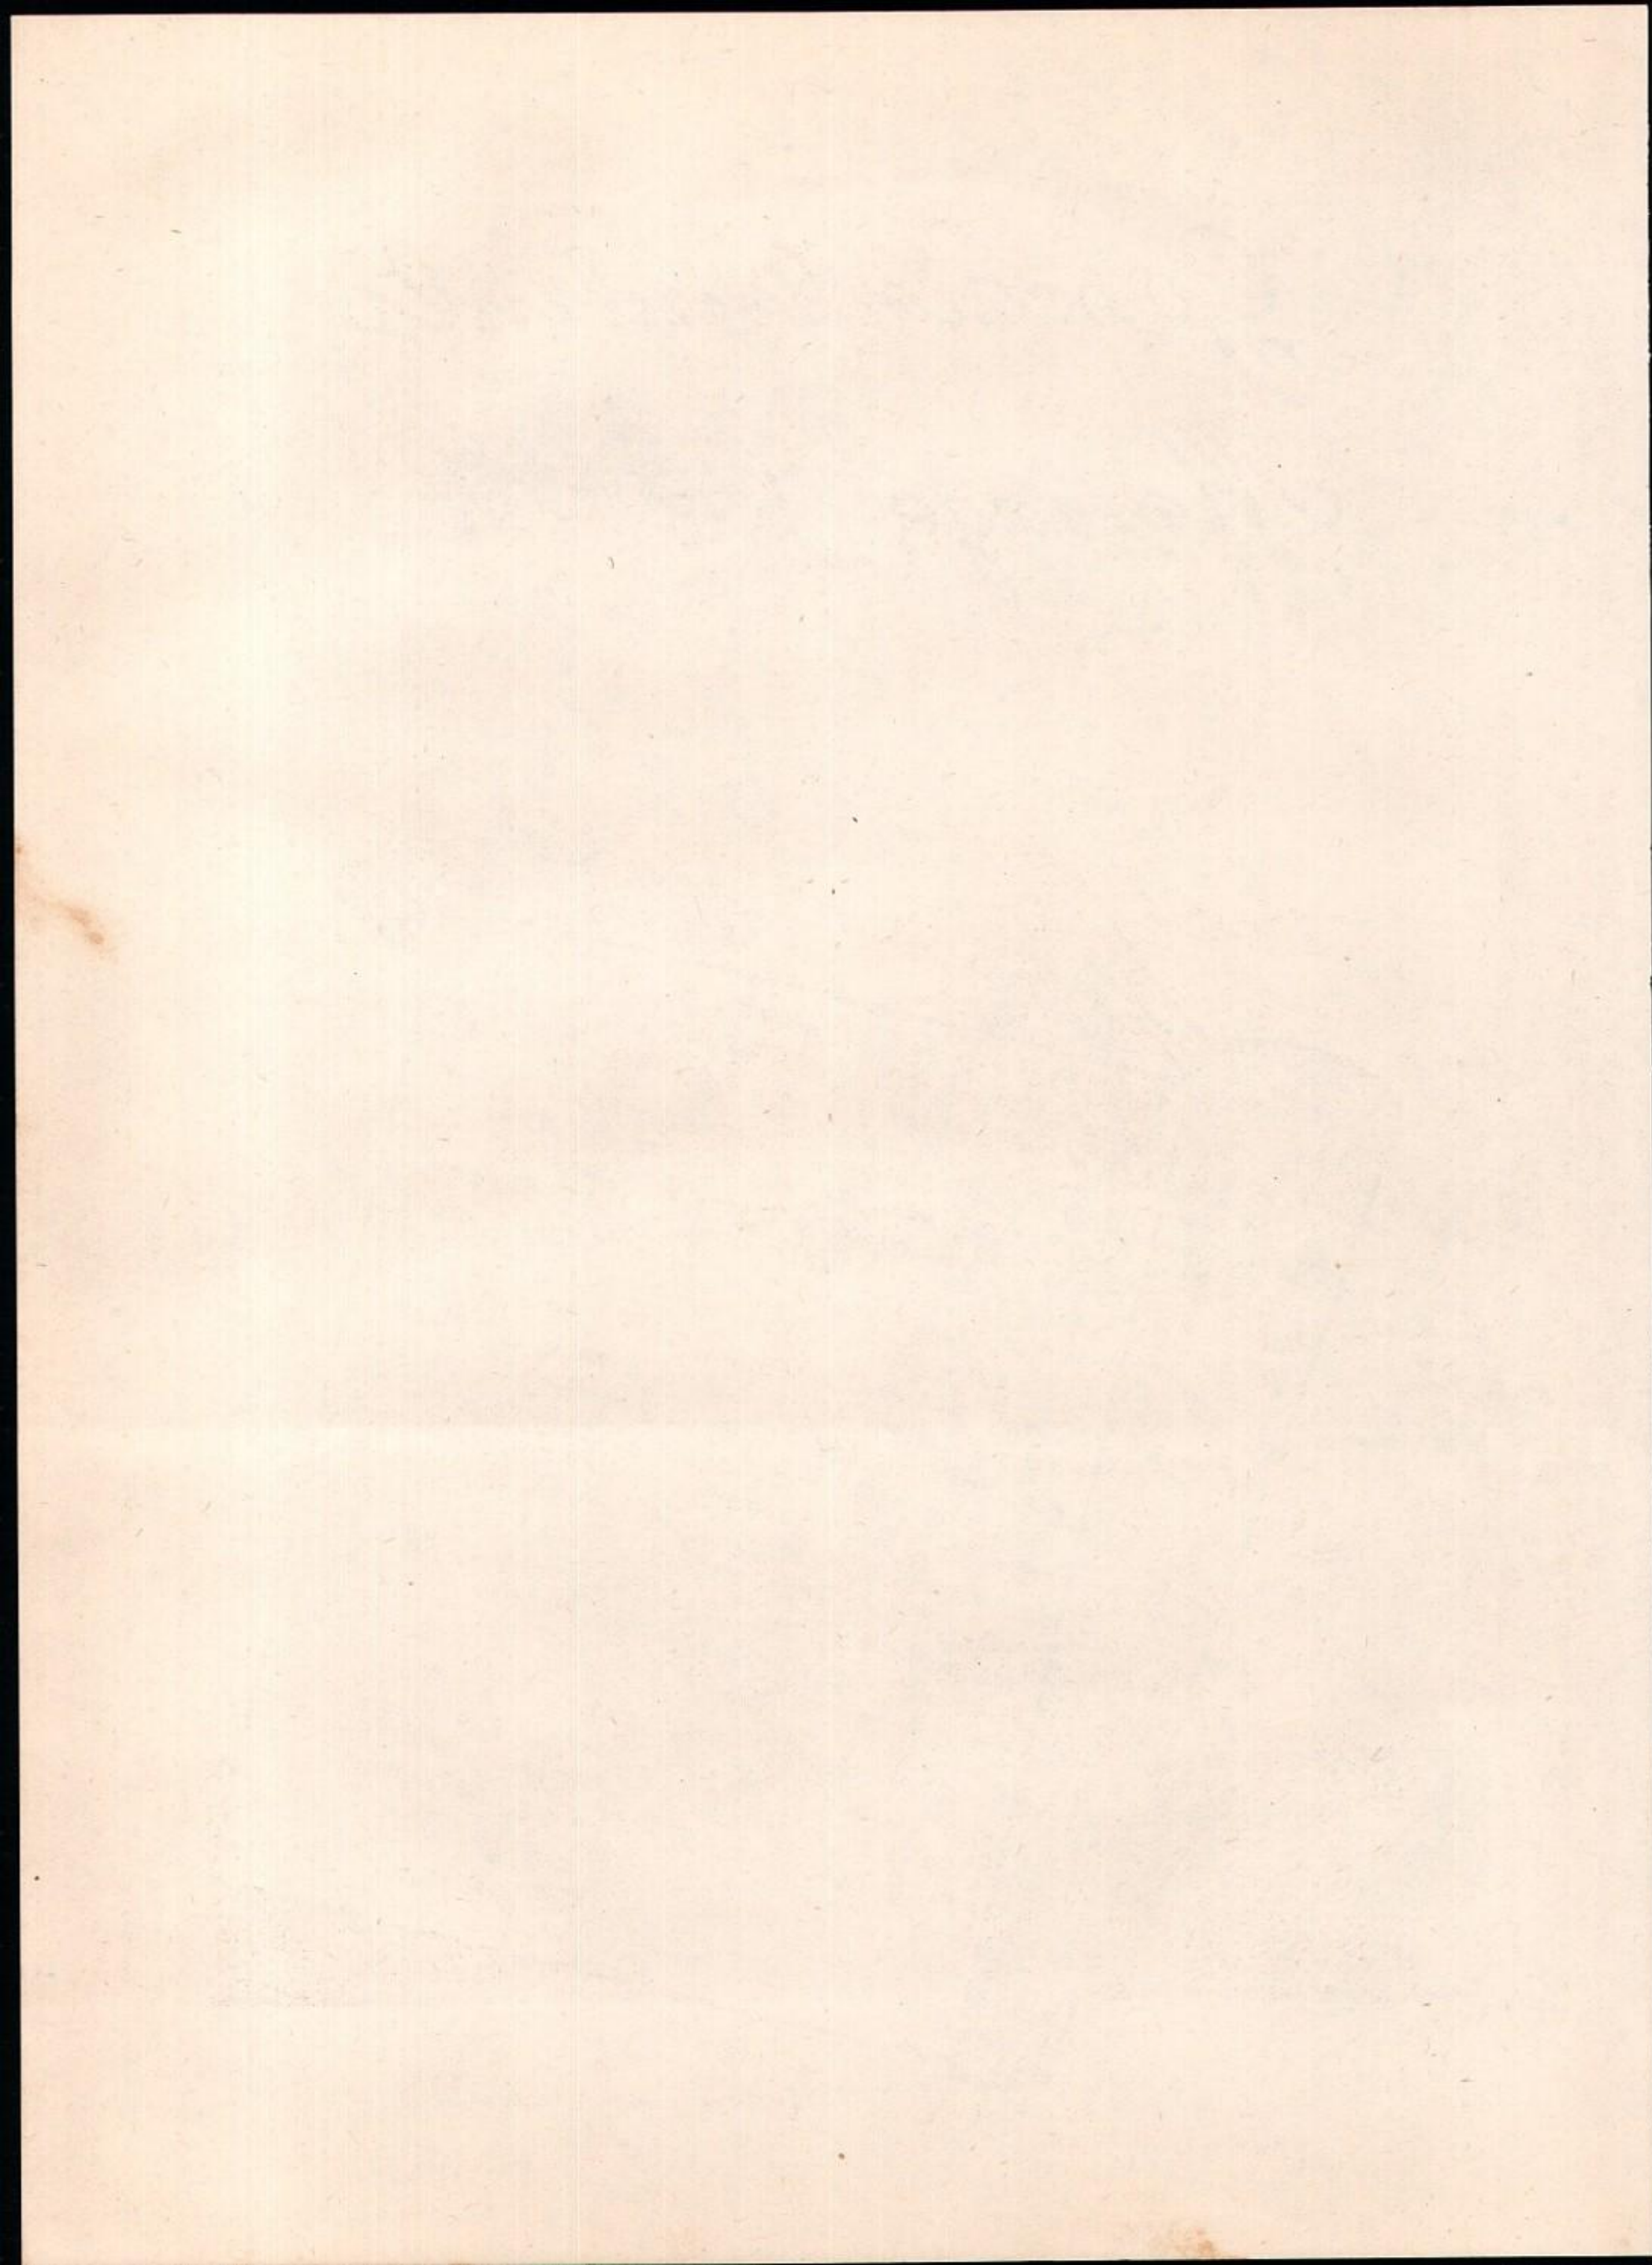

"Life is a sheet of paper, white
Upon which each of us may write
His word or two . and then comes night."

These words written in the sixteenth century might well be used today to draw a mental picture of our school year of '47-'48. From our early dawn to the zenith of our noonday sun, we have labored on the many things we have planned, and achieved success on a part of them, and as the lengthening shadows warn us that our day is drawing to a close, we realize that the time has been all too short. We have written our word or two and must now lay down our pens, even though there are many things left undone. This does not indicate that we have failed but that we have merely added another normal page to the volume of time.

To the school board, teachers, patrons and students may I express my appreciation for a job well done and wish for you the best things of life in the years to come.

Sincerely,

R. T. Masan

PRINCIPAL'S MESSAGE

Dear Friends:

First, I want to give heartfelt thanks to the students, teachers and friends of Roxton Schools for their splendid cooperation during the school year 1947-48, which not only has made it a very pleasant year for me but progress for R.H.S. Without your help and assistance even this annual could never have been published.

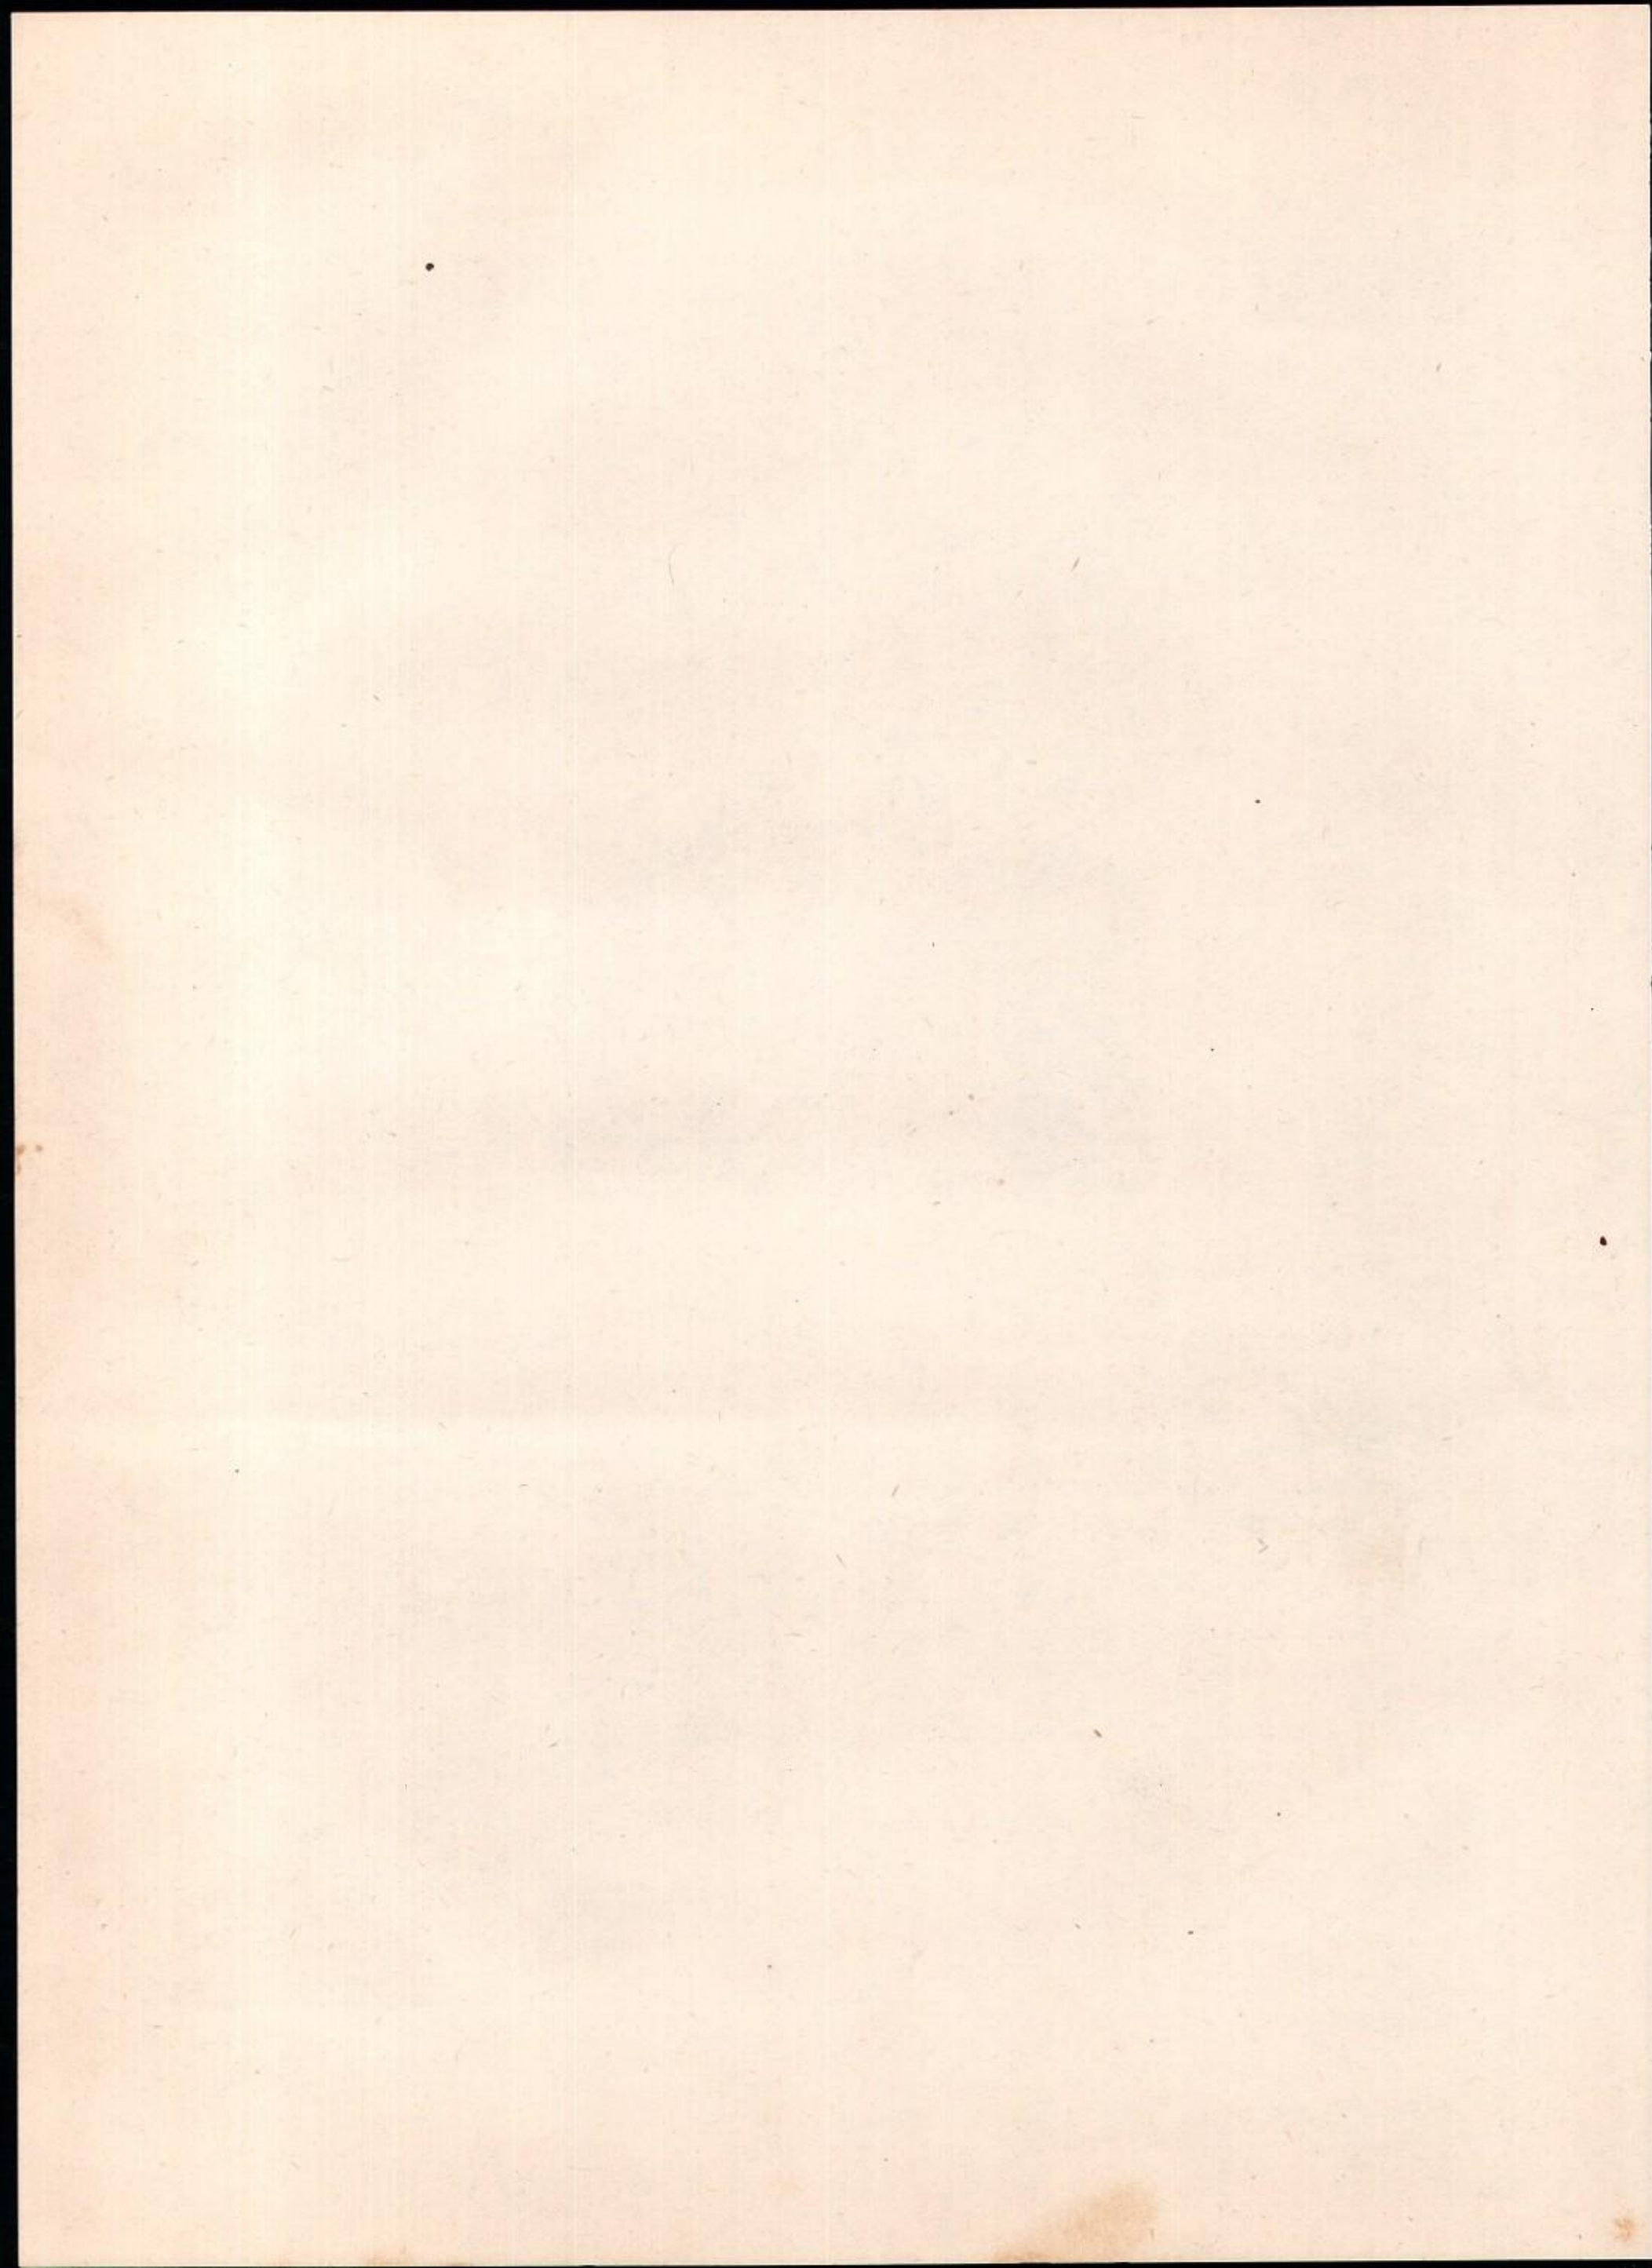

As faculty adviser to the annual staff, I am very grateful for their sincerity and untiring efforts to give you an annual worth your esteem.

Seniors, as General Patton often said to us in combat, "Do Something, even if it is wrong." Be a doer of good and not an idle sitter.

May I be counted among your lasting friends.

Very sincerely,

Blewett Cotton

The Joy Of Being on The Staff

Getting out this annual is no picnic. If we print jokes, people say we are silly. If we don't they say we are too serious. If we clip things from old annuals, we are too lazy to write them ourselves. If we don't, we are stuck on our own stuff. If we stick close to the job all day, we ought to be out hunting news. If we go out and try to hustle, we ought to be on the job in the office. If we don't print contributions, we don't appreciate true genius; if we do print them the annual is full of junk. If we make a change in the other fellows make-up, we are too critical; if we don't we are asleep Now likely as not, some guy will say we swiped this from some other annual.

Treasured Memories

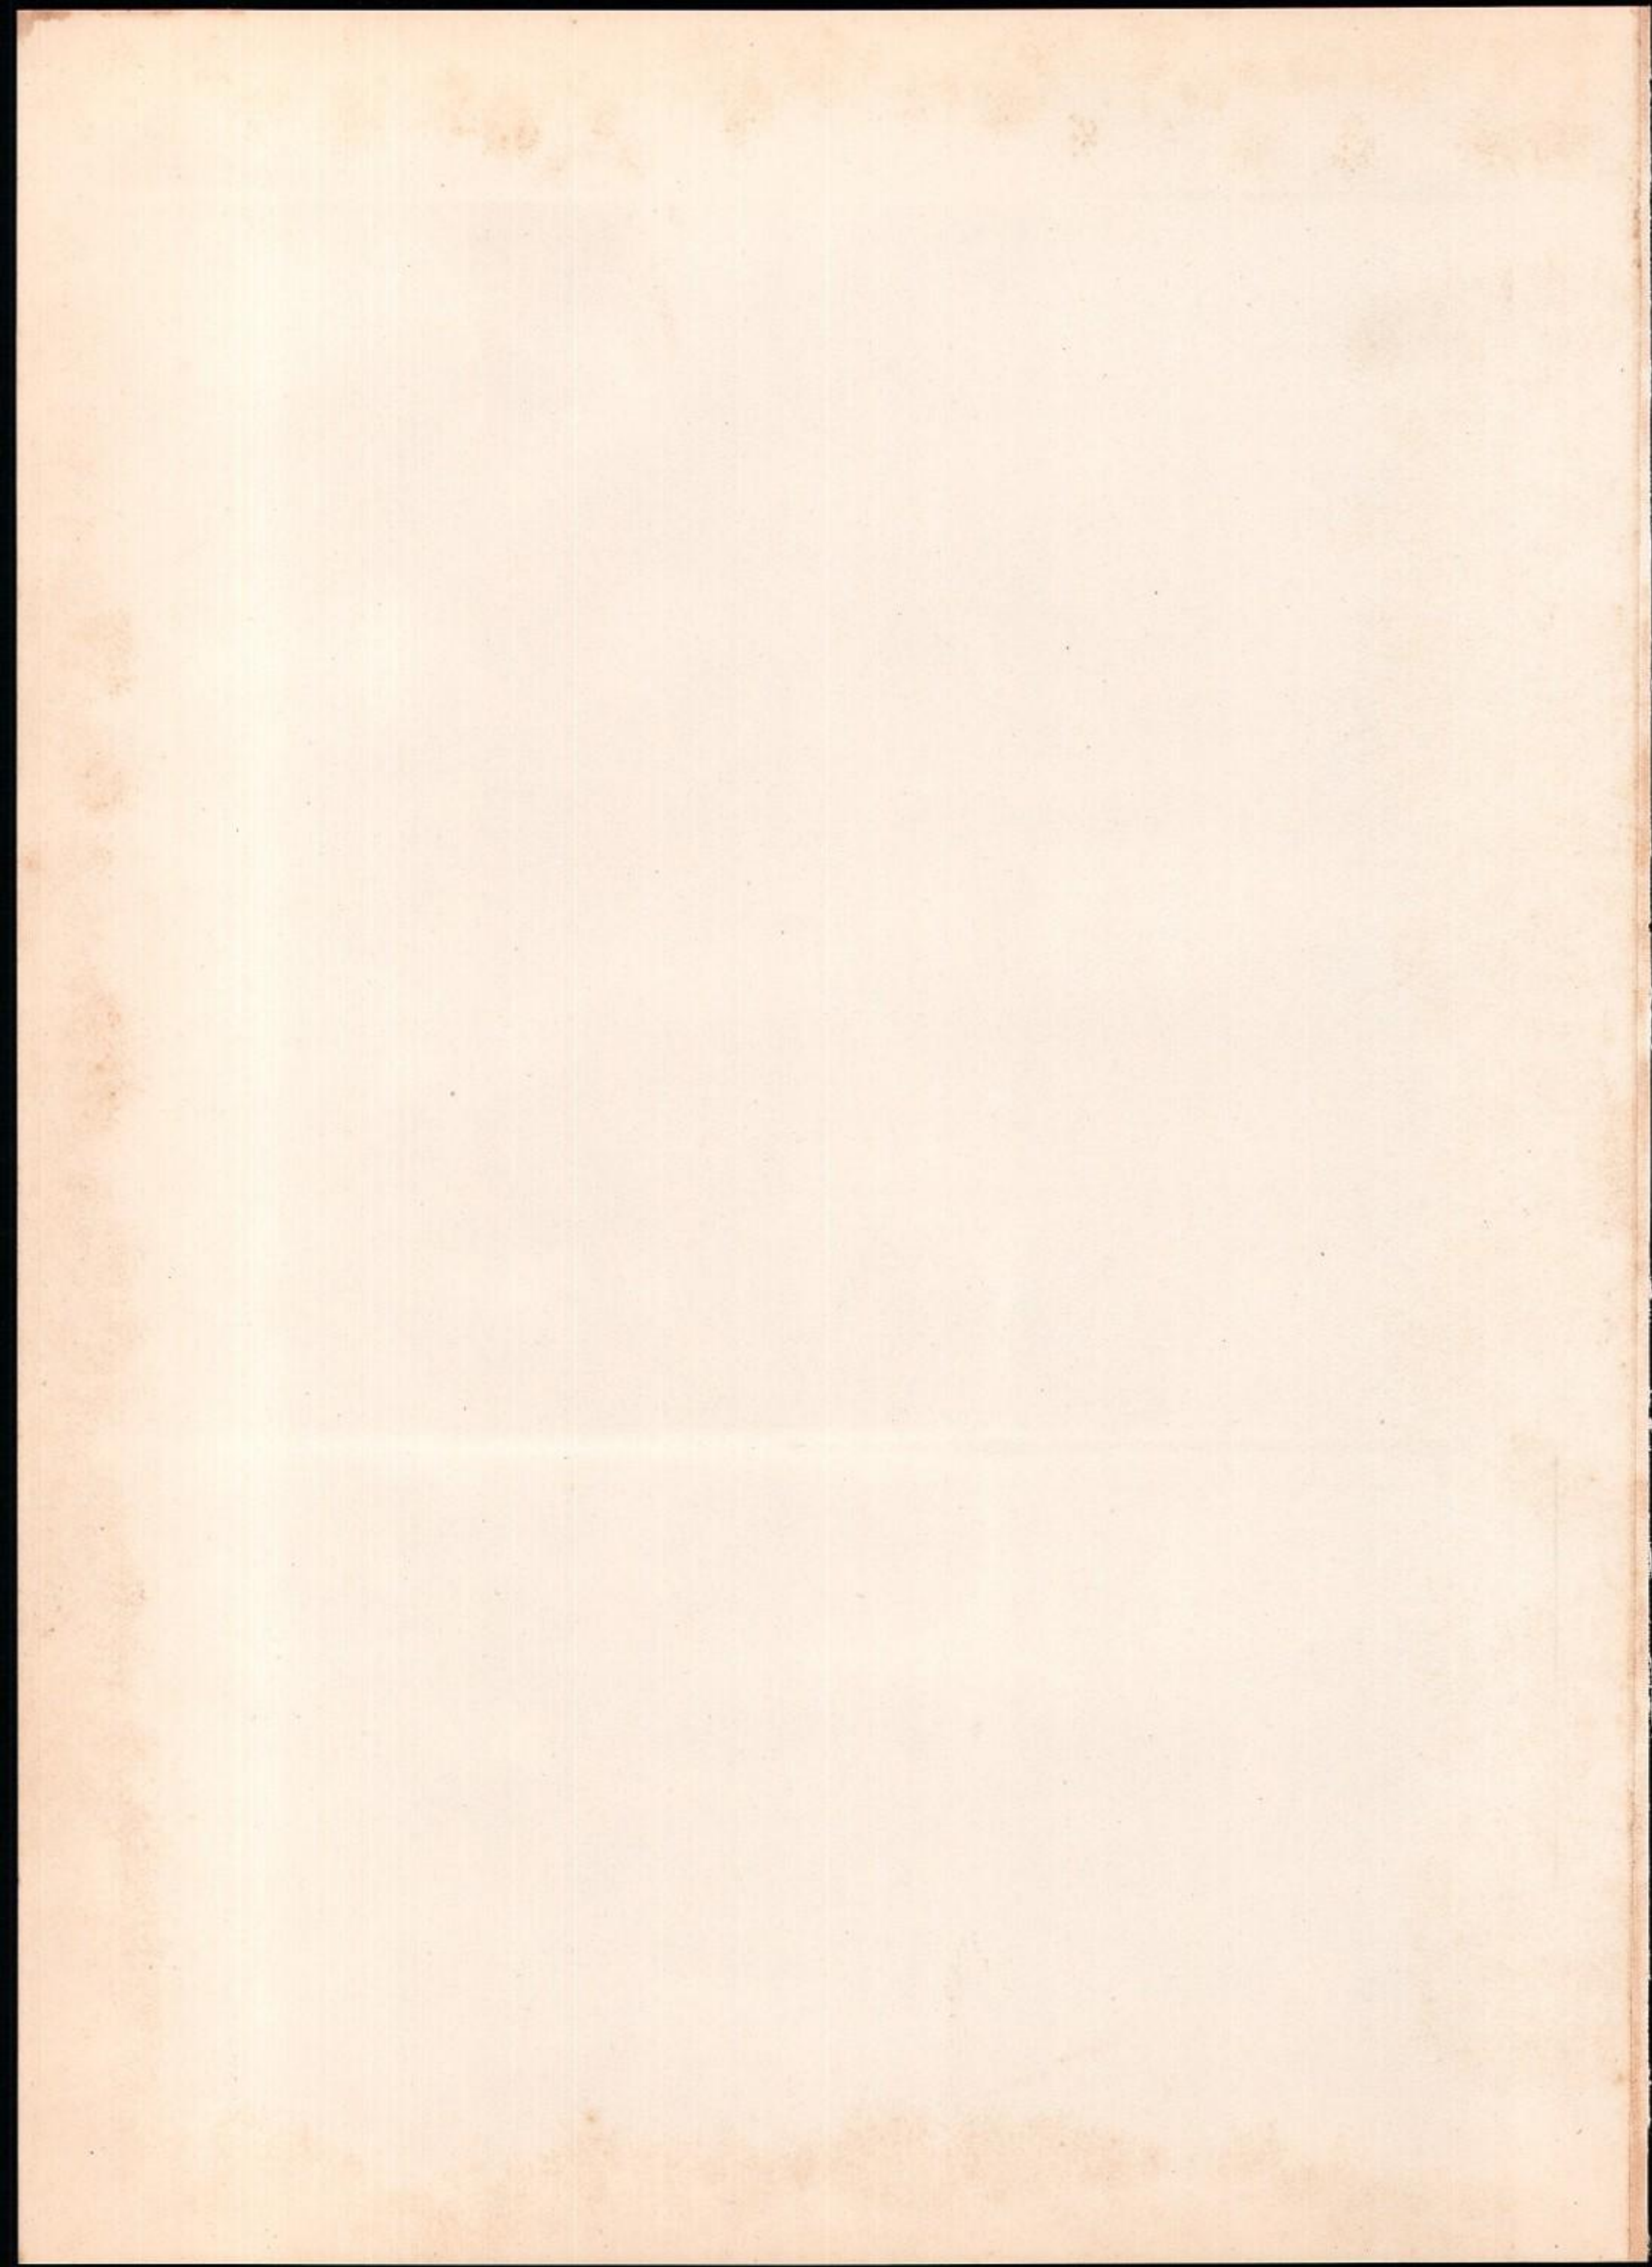

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

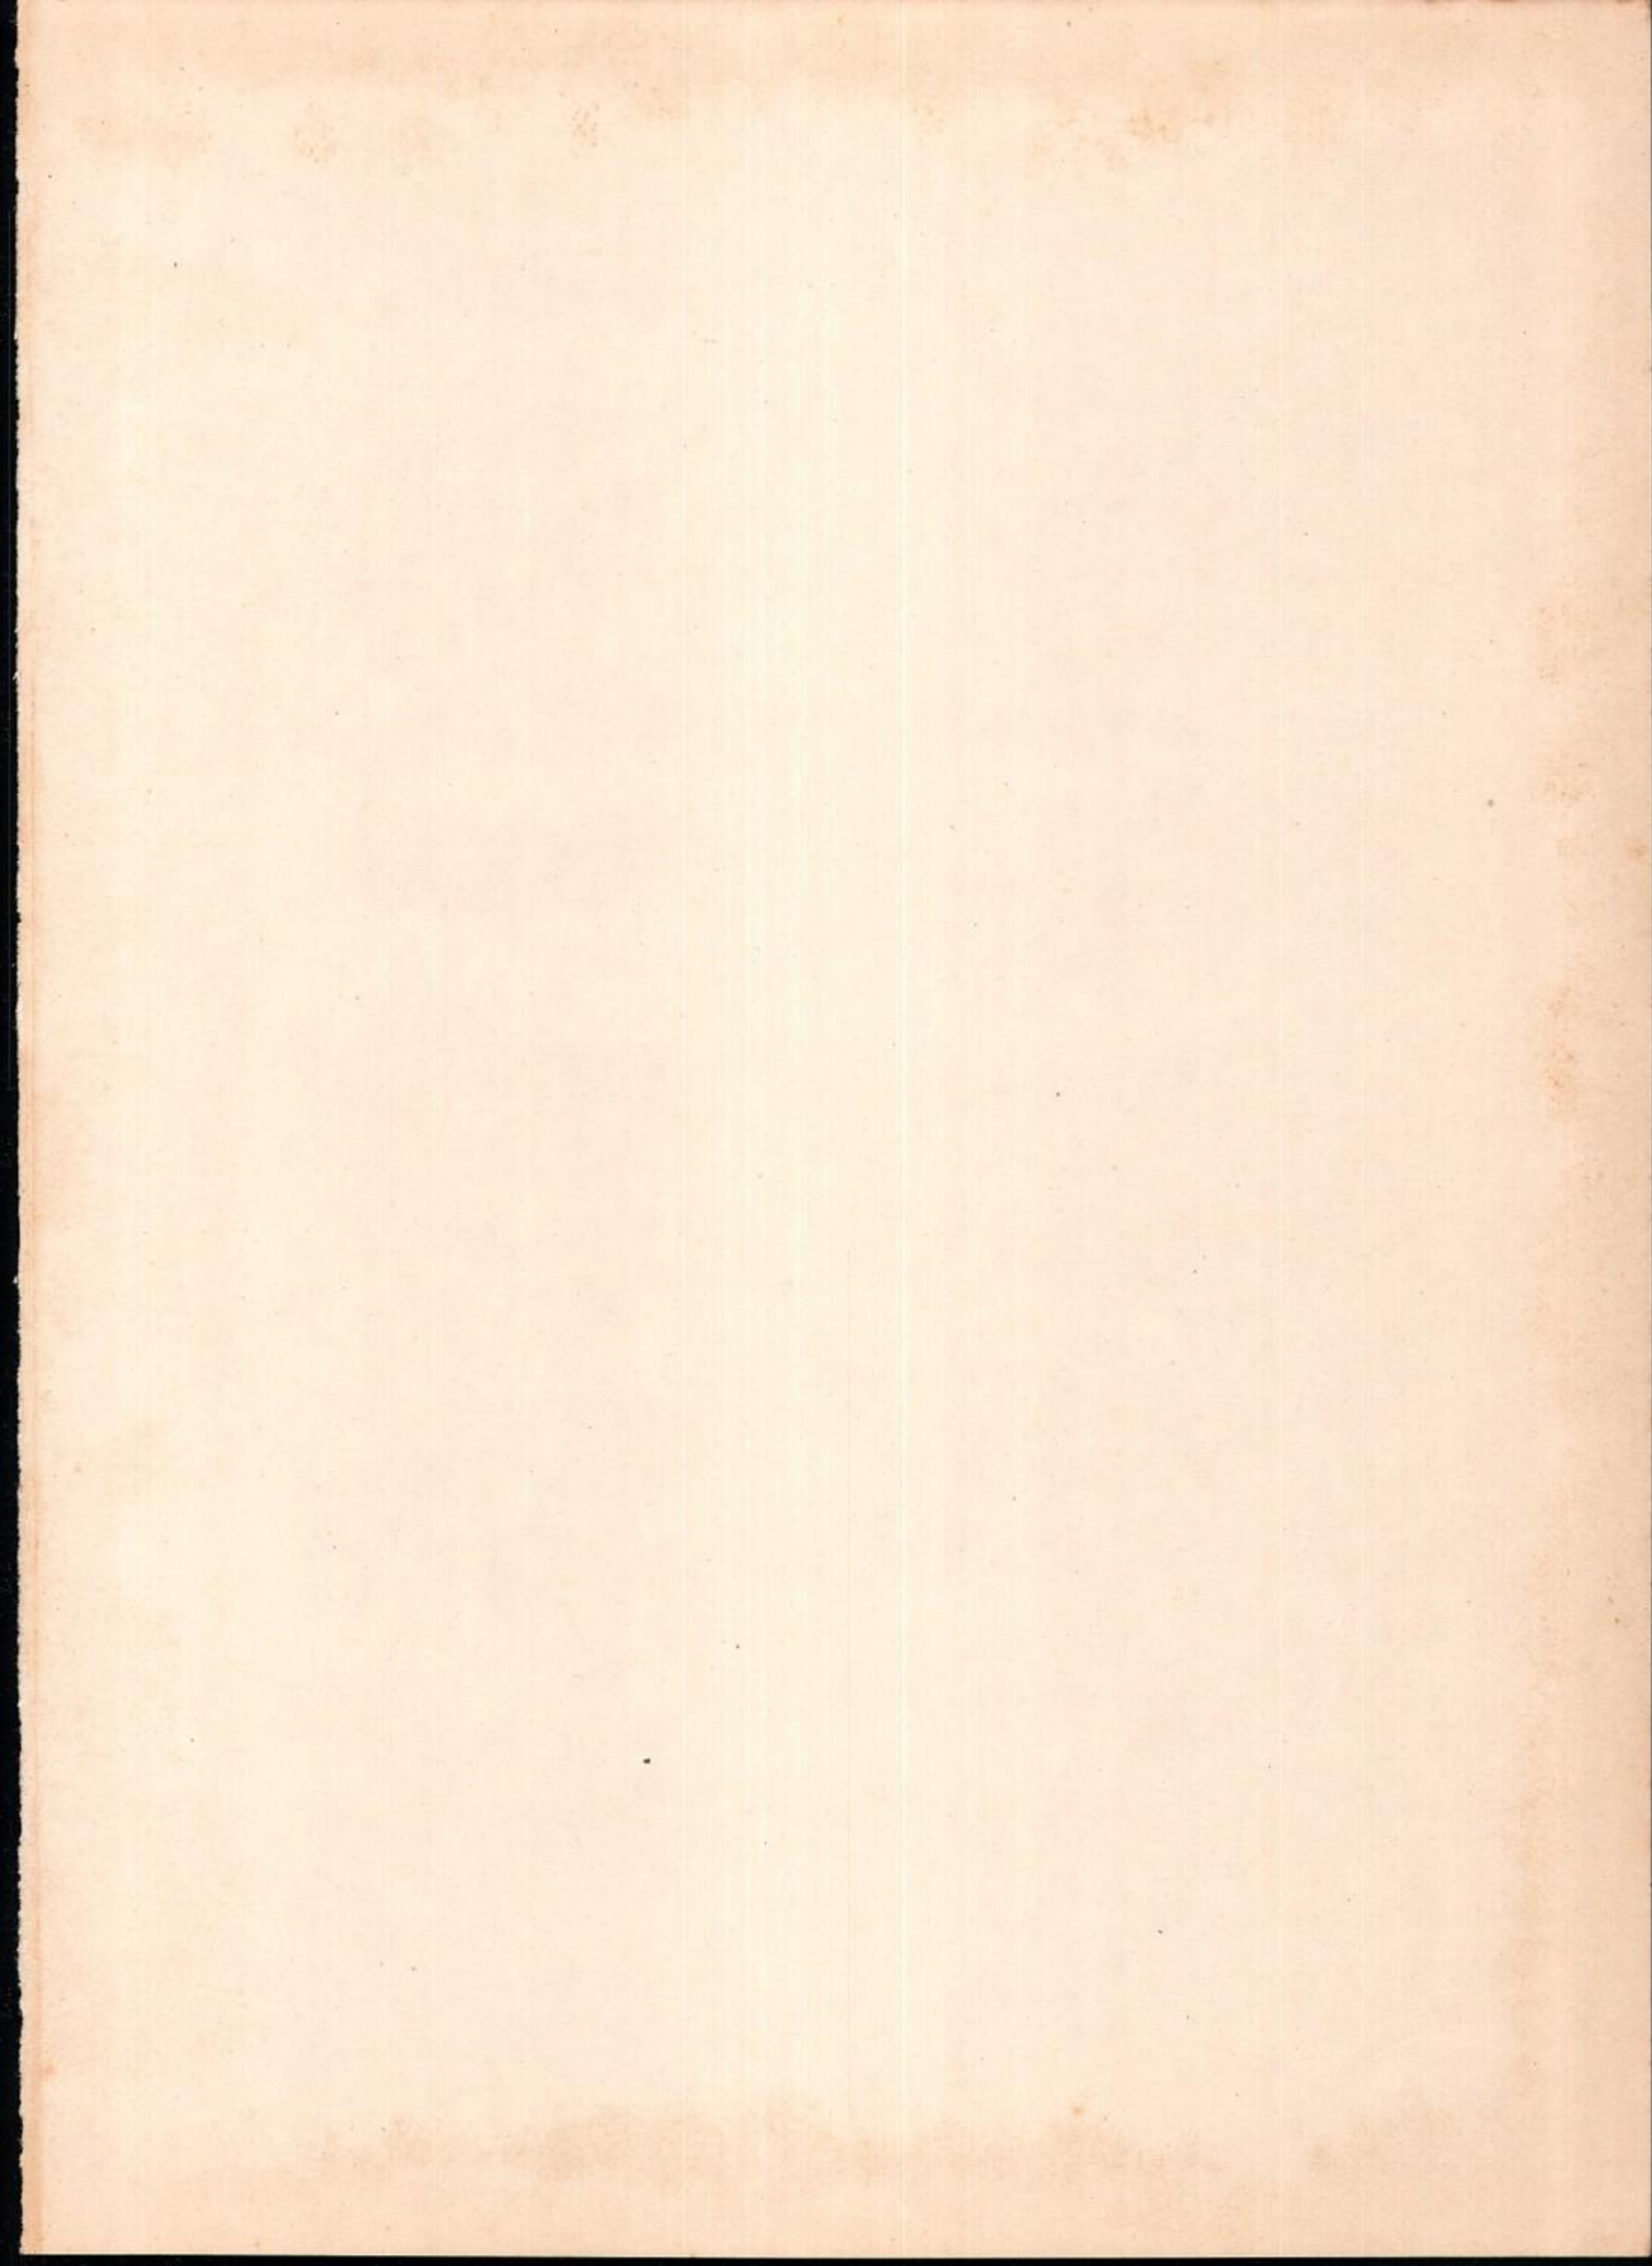

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
